Tournament Rules

Time

1. Four 10-minute running quarters. Clock will stop the last two minutes of the game if the score is 10 points or less. Anything over 11 or more and the clock runs again.

ALL NORMAL CIF RULES APPLY UNDER 2 MINUTES IF SCORE IS 10 points or less. Will shoot ALL free-throws...no automatic points.

2. Two-minute overtimes. Sudden death on the 3rd overtime.

3. Three-minute half times.

4. Three minute guaranteed warm up.

Free Throws

1. Shooting foul – one point and one shot. (2 points awarded and shoot one if fouled on a three-point attempt). On a foul on a made shot, the basket will count (automatic 3).

*If the score is 10 points or less in the last two minutes of the game, we will play regulation rules. All shooting fouls will be shot and all technical/intentional foul shots will be shot—CIF rules for everything).

2. **On the 5th Team Foul of each quarter, the team will be awarded one point and shoot one free throw. Team Fouls will reset at the quarter.**

3. Intentional/technical foul – two points and the ball.

Fouls

1. On the 5th Team Foul of each quarter, the team will be awarded one point and shoot one free throw. Team Fouls will reset at the quarter.

2. Two technical fouls in one game by a coach or a player will result in an ejection from the game.

3. Two ejections in a tournament by a coach or a player will result in the removal of the coach or player for the remainder of the tournament.

4. Players will not foul out. The 5 Team Foul penalty and automatic point will hopefully encourage clean play and coaches should use discretion on their own players for excessive or rough play.

Timeouts

1. Teams will get one full time out and two thirty second time outs. One full timeout per overtime period. (Timeouts carry over)

Other:

1. 10 second back court will be in effect...no shot clock.
